Letter Of The Month For December

Our church year starts with the 1st Sunday of Advent which is 30th November and this year we are in year 'A' of our three-year cycle of readings. In 2026 we will focus on Matthew's Gospel as we go through our daily readings.

Matthew's Gospel begins with the words 'An Account of the genealogy of Jesus the Messiah, the son of David, the son of Abraham'. It continues for 17 verses setting out who came before and (more importantly) who Jesus' ancestors were. The Christmas story of the Baby born in Bethlehem doesn't come in until chapter 2 and there is no mention of a stable! It is important to Matthew and his readers to recognise the lineage of Jesus.

I am sure if we did our ancestry line it wouldn't be as extensive or as noble. But we all have a family line and at this time of the year we may be thinking of how we will be spending our Christmas and maybe who with.

Some of you come from families that include everyone in your Christmas celebrations and the house bulges with people from every generation. Some of you take it in turn as to who it is that hosts Christmas this year and *sometimes* it is "Whose turn it is to have Great Aunt Maud this year?" It is tricky to get it right on occasions. After all, preparations for this special time probably started weeks ago - we know the adverts started in November.

Some are not so fortunate to belong to a family and will spend Christmas alone, some will not have the money to provide the masses of gifts that others are fortunate to receive. This year in our Benefice we have collected for Caring Hands in the Vale and shoe boxes to Ukraine which will give Christmas gifts to those we may never meet.

Thank you to all who have contributed to making someone's Christmas more joyous and thank you those who will give up their Christmas day to provide a meal for someone.

As you sing the carols proclaiming this special child whose lineage is undisputed, I do hope you enjoy time with your families and maybe a Great Aunt Maud this Christmas time.

I wish you all the best of Christmas times. Margaret Pye LLM

Offenham church is open every day from 10:00am until 3:00pm.

The winners in the November draw of the Church 100Club were:

Andrew Harrison (37), Anita Cook (85) and Stewart Warner (55)

The next draw will be on Sunday 7th December during Time for Tea in the Church

Offenham Wombles

We are a group of Litter pickers who meet on the second Sunday of every month at 10:00am at the corner of Boat Lane and Mill Lane. We always welcome new pickers and provide all required equipment. Everyone is welcome, we only do an hour so if you can help, we would be really grateful, the more pickers we have the bigger area we can cover.

If you'd like to do some litter picking or keep your part of the village litter free, but can't come on a Sunday morning then we can provide you with the equipment and you can go out when it suits you.

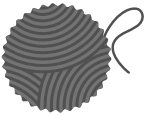
Time For Tea

Time for Tea is an occasion for all ages to meet in church on the first Sunday each month throughout the year, for tea, cake and an opportunity to meet your neighbours. Refreshments are free and any donations will go towards the upkeep of your village church. We hope to see you there between 2 and 3.30pm on 7th December. in St Mary and St Millburgh church.

Through your generosity, you have raised over £110 this year. Thank you for your support. Wishing all supporters of Time for Tea and their families a very merry Christmas and a happy New Year. Amanda T. (PCC).

Offenham Craftaholics

We are a group of ladies (although we would love to welcome some men!) who meet fortnightly to knit, sew, make cards, etc. We meet 7:00pm - 9:00pm on Wednesday evenings at the British Legion and would welcome new members. We know it's sometimes hard to walk in somewhere on your own but we really are a friendly bunch. Come and join us on 10th December.



ECO CHURCH
AN A ROCHA UK PROJECT

As you will be aware, St Mary & St Milburgh Church currently hold a Silver Eco Church Award and we are currently solidifying the work we have already done and working towards the Gold award, which will be a huge achievement. One of the areas we want to improve on is our plastic use and introduction of plastic into the churchyard. With Christmas approaching, you can help by thinking carefully about what floral arrangements you place on the graves of loved ones. Think about how you make them without oasis/foam or plastic rings? There are rattan wreath bases, moss around a metal ring, chicken wire, all of which make fantastic plastic free alternatives. Every action we take to avoid plastic use makes a positive impact.

OFFENHAM PARENTS NEEDED TO HELP

Appeal for Volunteers

The Offenham Youth Club is at risk of not opening this year due to a shortage of volunteers. For the club to reopen and continue serving the community, we urgently need a team of parents and local residents to take on key roles and help run the club. Without your support, the club cannot operate.

Team Roles Required

To ensure the smooth running of the Youth Club, we are looking for volunteers to fill positions such as Chair, Secretary, Treasurer, Compliance Officer, and several others who can work together as a team. The current team has managed the club for several years, but only a few have children attending, and while some will continue to assist and provide support, new volunteers are essential.

Youth Club Operations

The Youth Club aims to meet at least once a month. The following tasks are required on meeting nights:

- A minimum of five adults must be on duty.
- Set up equipment and the tuck shop and open the doors to welcome attendees.
- Sign in all attendees; collect payment from those registered and register new members with parental signatures.
- Supervise the evening, offering support where needed.
- During the group tag ball game, put away equipment.
- At 21:00, finish the session and ensure all young people leave with their parents.
- Clean the hall. With an organised team, everyone should be able to leave by 21:10.

These duties are straightforward and require only a few hours of your time each month. Team meetings will be held as needed to coordinate activities and ensure the club runs smoothly.

Support and Resources

The club is equipped with all necessary resources and is financially secure. DBS checks for volunteers will be funded by the club, so there are no out-of-pocket expenses for those who wish to help. The existing team will continue to offer guidance and support to new volunteers.

The Importance of the Youth Club

With Offenham village continually expanding, the Youth Club is essential for providing young people with safe and enjoyable activities, helping to prevent potential issues in the community. If we do not receive enough support, club equipment will have to be sold and any remaining funds donated to charity.

All that is required is a small commitment of a few hours each month. Your involvement can make a real difference for our village's youth and future.

CHURCH HEATING

Thank you so much to everyone who has donated to the Heating Fund. We have received nearly £3,000 so far and the Friends of Offenham Church have agreed to give £5,000. We really do appreciate your generosity.

At the time of going to print we are still waiting for a decision from the Diocese. The process is complete and the final step is for the Chancellor to review the submission. There is no time frame for this but we hope to have news before the New Year.

If you are able to give anything towards keeping our beautiful church functional you can make donations in any of the following ways:

By Cheque: payable to St Mary & St Milburgh, Offenham PCC. You can give it to any member of the PCC or send to the treasurer (Claire Penny, Mock Morris, Boat Lane, Offenham, WR11 8QZ). Please write 'church heating' on the back of the cheque.

By Internet Banking: Please use the following details

Account Name	St Mary & St Milburgh, Offenham PCC
Sort Code	08-92-99
Account Number	67465866
Reference	Heating

If you would like to Gift Aid your donation please complete a Gift Aid form which can be found at the back of the church or downloaded from the website (www.offenhamchurch.com).

We appreciate that times are hard and people are thinking carefully about donating to charity, and we may not be your choice. However, if every household who received this magazine gave £32 we would reach our target.

Any money raised in this appeal wil be restricted to the heating fund. In the event that there is money remaining after the entire project is finished this will be held in the restricted Fabric Fund which pays for emergency and general maintenance of the fabric of the building.

If you have any questions please contact Claire (clairepenny99@btinterent.com 07903 963233), or ask a member of the PCC.

Offenham Chuurch is excepted from registration with the Charity Commission, but is still regulated by them. Fundraising done by or on behalf of Offenham Church must comply with charity law and the code of practice laid down by the Fundraising Regulator.

Neighbourhood Alert

Who are your local Neighbourhood Officers for the 'Rural North' area?

Your local Neighbourhood Officers are PC Alex Prentice, PC Ben Trowman and PCSO Luke Harris. They can be contacted by email, alexandra.prentice@westmercia.police.uk, ben. trowman@westmercia.police.uk and luke.harris@ westermercia.police.uk.

The Evesham Safer Neighbourhood Team are actively now more than ever involved with our 'Evesham Police' Facebook page. Please follow Evesham Police to keep up to date with our activities and to see when our local drop in/engagement sessions are.

Drop-In Sessions and Neighbourhood Matters

Drop-in sessions are held weekly around the patch. If you have anything you wish to discuss, please pop along to one of these sessions. These sessions are advertised on the Evesham Facebook page as well as Neighbourhood Matters. Neighbourhood Matters is a free service which allows you to receive updates regarding crime in your area and also allows you to message your local officer. Take a look at the website for further information: https://neighbourhoodmatters.co.uk/.

Please feel free to come to any session you see advertised, you do not have to live in the village to attend. If you know people who do not have access to the internet, please feel free to share the information. The more people who know about these drop-ins, the better!

Reporting Incidents

Please remember to report crime and any incidents via 999, 101 or on the West Mercia website. Please do not email individual officers if a crime has happened, this needs to be reported officially through the correct channels.

Crime Prevention

Please make use of the drop-in sessions provided by officers if you want crime prevention advice. Officers are able to address concerns and offer crime prevention advice, such as handout of leaflets around home security, cctv, vehicle security, various signage for properties, shed/garage/bike security etc. We also have faraday pouches to provide to people who have keyless entry vehicles.

NEIGHBOURHOOD PLAN

Offenham Parish Community Survey

Your chance to have YOUR say in Offenham's future

A vital part of producing the Offenham Neighbourhood Plan is input from the local community.

Between 1st December 2025 and 5th January 2026 every resident has the opportunity to complete a Community Survey. The results of this will help to inform the policies contained in the Neighbourhood Plan.

To complete the survey online you can scan the QR code or go to offenhamparishcouncil.gov.uk and follow the link to the Offenham Neighbourhood Plan. This will be live from 01 December.

Paper copies of the Survey will be available from locations including the Church, The Village Hall and the Royal British Legion. Other locations (including drop off points) will be advised on posters that will be placed around the village, and on social media.

If you would like a copy delivered to you, please email ONP@offenhamparishcouncil.gov.uk or contact a member of the Parish Council or ONP Steering Group.

You can return completed paper copies to any member of the ONP Steering Group.

This is a unique chance to shape our village and the way it grows and changes over the next 15 year. The Offenham Neighbourhood Plan will be a key document that helps to shape this future, covering issues like housing, green spaces, traffic, and community facilities.

Don't miss the opportunity for your voice to be heard!

Scan the QR code with your phone or tablet to access the survey

A quick update from the Community Speed Watch Team

Firstly, a big thank you to everyone in the village who supported us in getting the speed limit lowered on the Evesham Road/Newtown (B4510). There were many times when this felt unachievable but so many people sent in supporting evidence that, in the end, common sense prevailed. The result was better than we could have hoped with Station Road, Three Cocks Lane, & Bennetts Hill also being changed to 30mph providing a continuous 30mph zone through the whole of Offenham and into South Littleton.

Marcus, our village Lengthsman, promptly adjusted the setting on our vehicle activated signs (VAS) to reflect the new speed limit and we have been closely monitoring the result. Anecdotally, by what I hear and what I see myself, most people are driving slower. The data from our Newtown VAS (which measures and records traffic speed in both directions) confirms that since the change - overall we now have 57.1% of drivers complying with the speed limit whereas before it was 26.0%. More significantly, when you consider (as the law does) for allowable inaccuracy in car speedometers, then we now see that 80.6% of all drivers are travelling at 35mph or slower whereas this was just 61.6% before. This is a very effective change.

Now you will say “what about those speeding who don’t care?”.
Our strategy has always been to tackle this with the support of the police through Community Speed Watch (CSW). This is a volunteer team that spot-checks speeding at police approved points around the village. Nationally this is a very effective solution and should work well for Offenham too. However, the police have always deemed Evesham Rd and Newtown as not suitable for our CSW team to operate – largely because safe places are needed for the team to stand and vehicle speeds (even if breaking the law) must be within safe limits. This is why getting the speed limit changed on this road was so important. Now, with new data (which has to be validated by the police) we can ask again for approved CSW check points along this road. I’m optimistic we will get this approved and can then use our CSW team to full effect around the whole village.
The CSW team is always looking for new members, if would like to discuss joining please email matthew@reafamily.co.uk

Lastly, I would add that the Parish Council are committed to the use of VAS around the village – and are looking to secure funding for more devices, so that we don’t have to move them around. Also, we will look at alternating the direction they face as there is a consistent difference in how effective they are depending on whether the speed display is visible to approaching motorists. This fact alone reminds you that most people want to comply with the rules given a chance.
