# Letter Of The Month

**Save the Date**

March is the month when we feel that Spring is really here. After the weeks of endless rain in January and February, the daffodils are out, and the birds are singing away in the trees and hedges each morning. Our wedding couples are well into the countdown to their big day, after our annual info session held on Valentine's Day last month.

In March the church calendar reminds us that we are still in the season of Lent- but we **celebrate Mothering Sunday (15th March for those of you needing a reminder to send a card!)** on our way towards Easter **(5th April)** We think of it as a day to remember the people who have mothered us, showing love and care – and it is a really good day to say thank you to them, in any way that we can. At the time of writing, tickets are still available for **Offenham Church's fabulous Afternoon Tea on Sunday 22nd March**

But Mothering Sunday isn't only about our own mothers – it is also a reminder for many of us that the work of mothering is done on a much larger scale within a community. When doors are opened, and a warm welcome and a safe space is offered to anyone who steps inside, then conversations can begin, and connections can be made. Friendships can grow stronger, and we can feel that we really belong.

We are blessed with some beautiful old church buildings which are much-loved, and you can see the towers as landmarks from every direction in the Vale. But as I often say at of our special services, the church is more than just the walls and roof, more than the bells or the altar. The core of the church is its people: congregation, wardens, me and anyone else who wants to be there.

We have so much going on outside our Sunday morning services! Nearly every day a volunteer unlocks your church door, and locks it again each evening. This means that anyone can pop in during the day, certain of finding a safe, calm, peaceful space where you can breathe, think, meditate, or pray. We have a **termtime Monday morning Baby & Toddler** group at Badsey church where our lovely volunteers welcome participants for a toy-filled play session, and a cuppa, ending with some singing. **Wednesday mornings** sees friends gathering for a chat and some coffee at Badsey again (**1st & 3rd Wednesdays in Cleeve Prior** village hall downstairs). Badsey also has a coffee morning on the **first Thursday**

of each month, very popular ever since it started last year. **Bretforton Men's Breakfast** is held at the Fleece with bacon butties and a speaker on the **first Saturday**, and **Offenham** church holds **Time for Tea** on the **first Sunday afternoon** of each month. The friends of **St Nicholas N & M Littleton** hold special events throughout the year for fundraising through family-friendly events. Still others are on hand for our services (Sundays, weddings, funerals, christenings) as welcomers, readers, tea-makers, cleaners, etc. Why? Some do it because it feels like a natural way to put their faith into action – it's what loving your neighbour can look like when you get out of bed on Monday morning. Some lend a hand because this is a way of building our community and keeping our villages such great places to live, or simply to show kindness.

Whatever the reasons, we love what we do, and hope to carry right on with this work of welcoming/mothering/hospitality/community-building/celebrating in future. We would love to see you at any of our events (and any offers of help more generally in future would be very much appreciated) – but whatever you have planned, let's be thankful for our mothers/those who mothered us along the way, and enjoy the sunshine. God bless you in all that you do in our community.

The almost entirely imagined BON JOVI MUSICAL
Modern Jukebox musicals traditionally come with a multi-talented cast, a live band, opulent sets, decadent costumes, extravagant dance routines, dramatic key changes and the odd hydraulic lift or two.
'WE'VE GOT EACH OTHER' has none of these things (they cost a lot of money),
but PAUL O'DONNELL still creates this all singing, all dancing spectacle
using the powers of your imagination.
This laugh out loud show intelligently plays with and deconstructs
the musical theatre genre, celebrating Juke Box musicals,
Bon Jovi and the community that is formed together and believe.
An electrifying experience where the audience are the heart of the show!
This high – energy performance invites audiences to join in 'from their seat, creating a shared vision filled with joy, laughter and not forgetting guilty-pleasure singalong music of a band we all secretly adore.
An unforgettable fun filled experience for all that you won't want to miss.

# CHURCH HEATING

Good News, we have been granted the faculty to install the electric heating exactly as we requested in our application. This means we will start fundraising and applying for grants in earnest.

Again we have to thank everyone who has already donated to our heating appeal. We have raised £8,000 towards our target of £21,000 and your generosity is sincerely appreciated. If you are able to give anything towards keeping our beautiful church functional you can make donations in any of the following ways:

By Cheque: payable to St Mary & St Milburgh, Offenham PCC. You can give it to any member of the PCC or send to the treasurer (Claire Penny, Mock Morris, Boat Lane, Offenham, WR11 8QZ). Please write 'church heating' on the back of the cheque.

By Internet Banking: Please use the following details

| | |
|---|---|
| Account Name | St Mary & St Milburgh, Offenham PCC |
| Sort Code | 08-92-99 |
| Account Number | 67465866 |
| Reference | Heating |

If you would like to Gift Aid your donation please complete a Gift Aid form which can be found at the back of the church or downloaded from the website (www.offenhamchurch.com).

Any money raised in this appeal will be restricted to the heating fund. In the event that there is money remaining after the entire project is finished this will be held in the restricted Fabric Fund which pays for emergency and general maintenance of the fabric of the building.

If you have any questions please contact Claire (clairepenny99@btinterent.com 07903 963233), or ask a member of the PCC.

Offenham Church is excepted from registration with the Charity Commission, but is still regulated by them. Fundraising done by or on behalf of Offenham Church must comply with charity law and the code of practice laid down by the Fundraising Regulator.

## Call for Sites

You will soon receive a hand-delivered letter through your door regarding a **Call for Sites** in our parish. We know this sounds like a daunting term, so we wanted to provide a quick bit of context for the community.

**What it is:**

In short, it is a standard fact-finding exercise used by the council to identify all land that *could* potentially be available for future use.

**Why it matters:**

- **It is NOT a green light for development:** Just because a piece of land is identified doesn't mean it will be built on.
- **It's about planning, not building:** This is simply the first step in a very long process to understand the options available to the village over the coming years.
- **You still have a voice:** Any future proposals would still be subject to the usual strict planning permissions and community consultations.

We want to ensure our village grows (or stays the same!) in a way that works for everyone. Please refer to the letter we've posted for more technical details, or feel free to reach out to the Parish Council with any questions.

Updates are available on the ONP Facebook Group and you can contact the Steering Group on the following email address: ONP@offenhamparishcouncil.gov.uk

Offenham Neighbourhood Plan

## Community Consultation

Your Voice, Your View: Join Us on April 26th

Back in December and January, many of you took the time to complete the Offenham Community Survey. We listened, we tallied the results, and now we're ready to share what you told us.

The data from that survey is more than just numbers; it is the blueprint we are using to shape our local policies. Whether it's about green spaces, traffic, or future housing, these policies will protect what we love about Offenham and improve what we don't.

To make things a bit more celebratory, we will also be announcing the winners of our Village Photo Competition! Come and see Offenham through the eyes of your neighbours—the winning shots will be featured prominently in our official Parish Plan.

When: Sunday, 26th April

Time: 10:00 AM – 2:00 PM

Where: Offenham Village Hall

Drop in for a coffee, see the survey results, and celebrate our beautiful village.

We look forward to seeing you there!

## Offenham Wombles

We are a group of Litter pickers who meet on the second Sunday of every month at 10:00am at the corner of Boat Lane and Mill Lane. We always welcome new pickers and provide all required equipment. Everyone is welcome, we only do an hour so if you can help, we would be really grateful, the more pickers we have the bigger area we can cover.

If you'd like to do some litter picking or keep your part of the village litter free, but can't come on a Sunday morning then we can provide you with the equipment and you can go out when it suits you.

## Dressmaking

Do you have a sewing machine sitting at home collecting dust? Whether you are new to dress making or have experience you would be welcome to join us. We meet on the 1st Thursday of each month between 1.30pm and 4:00pm at the Village Hall in Offenham. Numbers will be limited to 12, (You must be member of U3a in order to attend.)

If you are happy to work from a commercial pattern, I will guide you how to get the best fit from your pattern, and examples being insert zips and adding pockets. If this is of interest to you please contact me, denise.crossman@hotmail.co.uk

## Who are your local Neighbourhood Officers?

Your local Neighbourhood Police Officers are PC Alex Prentice and PC Shaquille Lakin. Your local PCSO's are, PCSO Jasmine Hill, PCSO Lee Stirling, PCSO Kyle Westwood and PCSO Karen Kempton. The email addresses for each of them are first.surname@westmercia.police.uk

The team is known as the Evesham and Pershore Rural Safer Neighbourhood Team. The team have 2 Facebook pages, 'Evesham Police' and 'Pershore Police'. Please follow these to keep up to date with our activities and to see when our local drop in/engagement sessions are.

**Drop-In Sessions and Neighbourhood Matters**

Drop-in sessions are held weekly around the patch. If you have anything you wish to discuss, please pop along to one of these sessions. These sessions are advertised on the Evesham and Pershore Facebook page as well as Neighbourhood Matters. Neighbourhood Matters is a free service which allows you to receive updates regarding crime in your area and also allows you to message your local officer. Take a look at the website for further information: https://neighbourhoodmatters.co.uk/.

Please feel free to come to any session you see advertised, you do not have to live in the village to attend. If you know people who do not have access to the internet, please feel free to share the information. The more people who know about these drop-ins, the better!

**Reporting Incidents**

Please remember to report crime and any incidents via 999, 101 or on the West Mercia website. Please do not email individual officers if a crime has happened, this needs to be reported officially through the correct channels.

**Rogue Traders**

We are aware of reports within our rural villages of rogue traders. Rogues Traders involve: uninvited doorstep calls, poor quality or unfinished work, unnecessary repairs, pressure tactics and demands for upfront cash and targeting elderly and vulnerable residents. Rogue traders can be very convincing, often quoting low prices but later demanding more money. Some may even insist on contracts being signed. Please protect yourself and others.

- Ask for ID before letting anyone in
- Check credentials, including a permanent business address and phone number
- Ask questions, request references, and see examples of work
- Don’t sign anything on the spot – get at least three written quotes
- If in doubt, ask them to leave

The simplest way to stay safe: Do not engage with doorstep sellers. Politely ask them to leave.

If you have concerns or spot suspicious activity, report it to us and to Trading Standards.

The next meeting of Offenham Parish Council will be held on Monday 2nd March 2026 at 7.30pm at Offenham Village Hall and will be held according to standard Parish Council Meeting regulations

The council would like to take the opportunity this month to bring the following to your attention:

**Election of New Vice Chair**

Offenham Parish Council are pleased to announce that Cllr Marc Farmer has been elected as the new Vice Chairman to Offenham Parish Council.

**Planning**

We as a parish council have recently been consulted on the following planning applications and these were discussed at the last meeting on 2nd February 2026:

**Application Number – W/26/00008/FUL**
Location – Casa Mia, Three Cocks Lane, Offenham, Evesham, WR11 8RY
Description – Demolition of existing garage, construction of two self build/custom bungalows and garages to the rear of Casa-Mia and construction of a replacement garage to serve Casa-Mia
The council commented on this application with the below:
While noting that the plans submitted are essentially unchanged from applications that were refused in 2019, the Council feels that the grounds for refusal (and dismissal of the appeal), particularly with regard to the openness of the site, have largely been superseded by more recent approvals, and to refuse on this occasion would be inconsistent with other decisions.

**Application Number - W/25/02357/OUT (Amendment)**
Location – Bennetts Hill Farm, Long Hyde Road, South Littleton, EVESHAM, WR11 8TH
Description - Outline application for the construction of up to 9 no. residential dwellings, with all matters reserved except access to/ from the public highway.
The parish council have confirmed to Wychavon District Council that their original objection still stands on this application.

**Application Number - W/25/01787/FUL Associated Ref:W/23/01909/FUL (Amendment)**
Location - Land At (Os 0565 4613), Three Cocks Lane, Offenham
Description - Erection of commercial polytunnels (part retrospective) - (Removal of reference to timescale, Condition 4 Ref: W/23/01909/FUL).
The parish council had no comment on this application.

The parish council is only a consultee on planning applications and should you wish your comments to be taken into account by the planning officer you should submit them on the Wychavon District Council website - https://plan.wychavon.gov.uk/
