Letter Of The Month For October

Loved and valued – a letter from Trevor Burton.

I often walk around our village pushing my granddaughter in her buggy. Sometimes she walks and is quite determined to go “that way”. We often meet other people and my granddaughter loves to say ”Morning”. One day while we were out her shoelace came undone and she tripped over it. Whilst consoling her, a lovely young mum came along and did the shoelaces up.

There is a Fare Share shed in Badsey where food is dropped off. Occasionally, I have the privilege of collecting the food. I am grateful for those who help me unload my car. People come to the shed and conversations start. One Friday, I had not put the food out, and I saw someone with several empty bags walking away, rather sad. My thoughts weren’t very nice towards him but God spoke to me and challenged me to run after him and let him know that I was about to put the food out. At the shed, he opened up and told me why he needed the food. This made me see him in a different light.
Once a month I work the night time economy in Evesham as a Street Pastor. Some people go out for enjoyment others have no choice but to be out. Occasionally, because of the nature of the environment, incidents happen and we engage and help people. Subsequently we are thanked and people share their situations. As Street Pastors we go out there because we value those we see on the streets. As a result they often allow us to pray with them.

Badsey church uses their building to run a Stay and Play “Drop in” every Monday during term time with toys, music (and a free cuppa). It is wonderful to see grandparents, mums and dads coming along with their children. It gives them the opportunity to get out of the house. My granddaughter has changed so much, interacting with the other children. The children and grandparents (and parents) are valued, and the adults receive support when they share their struggles.

I often walk around the village praying. I meet and have conversations with people. Whilst praying I was challenged by God to write this article. You may not believe in God. There was a time I didn’t, however, I have faced tough situations in my life but I can testify how God has stepped into my life and revealed to me His love for me in tangible ways. This has happened especially after allowing someone to pray with me.

On Wednesdays at Badsey church we have a churchyard group from 10am It doesn't matter if you're not into gardening, it is a time for meeting others to chat and share. There are a lot of issues going on in the world, and political challenges for us in this country. We all face upheavals in our lives and we grieve and struggle dealing with these issues. You are welcome to come along to talk to others about these or anything else over a coffee. We are a bunch of ordinary imperfect people who value each other and love to spend time with each other. It is a hub for connection, reflection and shared experiences. If you need it, some of us are happy to offer support and pray with you.

Trevor Burton (Badsey)

PS We have similar coffee and chats on the 1st and 3rd Wednesdays in Cleeve village hall, and monthly 1st Sunday afternoons in Offenham church
Jo Fielding Priest in Charge, East Vale & Avon Benefice

HALLOWEEN

It is October, time for pumpkins and spooky costumes, but did you know that this tradition goes back to the pagan festival of Samhain? This marked the end of the harvest and the beginning of winter, so it is not surprising that it is at about the same time we celebrate Harvest Festival and the clocks change. The costumes, bonfires and the giving of food at doors was a way to frighten off any evils spirits that may try and take advantage of the cold, darker days of winter, and to encourage others to say prayers for the recently departed.

Halloween is a contraction of 'All Hallows Eve'. All Saints Day (or All Hallows Day) is a Christian festival when we remember all saints and martyrs, and is on 1st November, and therefore Hallows Eve is the 31st October. In the Christian calendar 2nd November is All Souls Day when we remember loved ones who have died. There are services (often in the evening) where anyone can come and remember friends and family, light candles and say prayers if you wish. It doesn't matter if you are a regular church goer or if your loved one had a church funeral, you are welcome to attend. There is an All Souls service at Badsey Church on 2nd November at 4pm, please do come along and have a quiet moment remembering those we miss.

Planning:	Full details at www.wychavon.gov.uk/planning

Next Parish Council Meeting: Monday 6th October at 7.30pm in Offenham Village Hall. Any organisation or individual wishing to attend, please contact the Clerk.

District council by-election: Following Aaron Powell's resignation, the by-election for the Bretforton and Offenham Ward of Wychavon District Council will be held on 9th October 2025. A list of the candidates can be found at https://www.wychavon.gov.uk/elections/current-elections and on the Parish Council noticeboard opposite the shop.

New 30mph speed limit: After a long campaign by the Parish Council, supported by evidence from local residents, the speed limit on the B4510 between Offenham Cross and Three Cocks Lane, and all roads into the village, is now 30mph. The Vehicle Activated Signs have been adjusted accordingly, and will be moved to various locations to serve as a reminder to drivers. Let's hope this brings a reduction in incidents and near-misses.

The Worcestershire On Demand bus service is now operational in Wychavon. This is a flexible, app-based public transport system that functions like a shared taxi service rather than a traditional bus with fixed routes and timetables. It is designed for essential local journeys within defined zones, connecting residents and visitors to places like shops, workplaces, and transport hubs, or to places of interest with no traditional bus service. Passengers use a dedicated app to book rides, which match them with a driver, and are taken to a nearby "virtual" bus stop for pickup.

Have Your Say on the future of Worcestershire's Public Rights of Way

Worcestershire's Rights of Way Improvement Plan (ROWIP) wants your input to help shape its future. Our public rights of way network, including footpaths, bridleways, and byways, is a valuable asset that connects communities, supports health and wellbeing, and offers access to the stunning Worcestershire countryside. We're updating our plan to ensure it continues to meet the needs of residents now and in the years to come.
Your feedback will play a key role in setting the priorities and actions in the new ROWIP. Whether you walk your dog on a local footpath, cycle along a bridleway, or use a route to get to work or school, your voice matters.
Residents, landowners, community groups, parish councils, and all users of public rights of way are invited to take a few minutes to complete a short survey and share your thoughts.

How to report blocked drains and gulleys: As we move into Autumn, the incidence of blocked drains and gulleys on the highway will increase. Worcestershire County Council's website has an interactive map allowing you to pinpoint and report a drain that needs clearing. Search online for "Report a Drainage Issue on the Highway".

Final call for nominations for the Good Villager Award. If you know of someone who has improved the lives of others in Offenham, why not nominate them for recognition in the Parish Council's annual Good Villager Award. Closing date is Friday 3rd October.

Results of the Annual Garden and Basket Competition:

Front garden
1st prize - 2 Cocks Cottages, Newtown
2nd prize – joint winners – 3 Cocks Cottages, Newtown & Clostina, Main Street

Basket & Containers
1st prize – 1 Avon Court
2nd prize – Lyncote, Main Street
3rd prize – Old Manor, Court Lane

A special mention goes to the residents of Crabtree Leys for their cumulative effort for kerb appeal.

CHURCH HEATING

Thank you so much to everyone who has donated to the New Heating Fund. Hopefully by the time you read this the Diocese of Worcester will have granted us a faculty to do the work, and we will have paid the first invoice. If everything goes to plan the new heating should be in before the Christmas Wonderland at the end of November.

The Friends of Offenham Church have made a significant contribution towards this project which has enabled us to get started, however we still need more than £10,000 to complete the work. We have received some grant funding already, and will apply for others, but we are unlikely to raise the full amount in this way. If you are able to give anything towards keeping our beautiful church functional it would be very much appreciated. You can make donations in any of the following ways:

By Cheque: payable to Offenham PCC. You can give it to any member of the PCC or send to the treasurer (Claire Penny, Mock Morris, Boat Lane, Offenham, WR11 8QZ). Please write 'church heating' on the back of the cheque.

By Internet Banking: Please use the following details

Account Name	Offenham PCC
Sort Code	09-01-51
Account Number	64169407
Reference	Heating

Please look out for details of a JustGiving page in the near future.

If you would like to Gift Aid your donation please complete a Gift Aid form which can be found at the back of the church or downloaded from the website (www.offenhamchurch.com).

We appreciate that times are hard and people are thinking carefully about donating to charity, and we may not be your choice. However, if every household who received this magazine gave £32 we would reach our target.

Any money raised in this appeal wil be restricted to this fund. In the event that there is money remaining after the entire project is finished this will be held in the restricted Fabric Fund which pays for emergency and general maintenance of the fabric of the building.

If you have any questions please contact Claire (clairepenny99@btinterent.com 07903 963233), or ask a member of the PCC.

Offenham Chuurch is excepted from registration with the Charity Commisoin, but is still regulated by them. Fundraising done by or on behalf of Offenham Church must comply with charity law and the code of practice laid down by the Fundraising Commission.

Your local Neighbourhood Officers are PC Alex Prentice, PC Ben Trowman and PCSO Luke Harris. They can be contacted by email, alexandra.prentice@westmercia.police.uk, ben. trowman@westmercia.police.uk and luke.harris@ westermercia.police.uk.

Drop-In Sessions and Neighbourhood Matters

Drop-in sessions are held weekly around the patch. If you have anything you wish to discuss, please pop along to one of these sessions. These sessions are advertised on the Evesham Facebook page as well as Neighbourhood Matters. Neighbourhood Matters is a free service which allows you to receive updates regarding crime in your area and also allows you to message your local officer. Take a look at the website for further information: https://neighbourhoodmatters.co.uk/.

Please feel free to come to any session you see advertised, you do not have to live in the village to attend. If you know people who do not have access to the internet, please feel free to share the information. The more people who know about these drop-ins, the better!

Reporting Incidents

Please remember to report crime and any incidents via 999, 101 or on the West Mercia website. Please do not email individual officers if a crime has happened, this needs to be reported officially through the correct channels.

Crime Prevention

Please make use of the drop-in sessions provided by officers if you want crime prevention advice. Officers are able to address concerns and offer crime prevention advice, such as handout of leaflets around home security, cctv, vehicle security, various signage for properties, shed/garage/bike security etc. We also have faraday pouches to provide to people who have keyless entry vehicles.

By entering the competition, and if selected, you agree to your image and name being included in the plan and your image and name being published on Offenham PC website.

Once published the Neighbourhood Plan will last until 2035. This will be a significant and important document for Offenham and a great showcase for some fantastic imagery provided by the local community (full attribution given).

More details on how to enter will be published on our website at:
https://www.offenhamparishcouncil.gov.uk/offenham-neighbourhood-plan

NEIGHBOURHOOD PLAN

The Offenham Neighbourhood Plan (ONP) – Steering Committee met on 18th September 2025 in the British Legion. There were 10 people present and the meeting started with an update from the Chair followed by a question-and-answer session during an open forum.

Chairs Update

Area Designation – On the 15th September Wychavon District Council confirmed to the Parish Council that the application for designating the area for the ONP had been approved. The relevant documents were now available on the District Council website including an updated and accurate boundary map showing the area covered by the ONP.

The boundary is important as we will be consulting with all households and businesses within the boundary, but also with those who live and work just outside the area

Progress on the Plan – the Stakeholder List will shortly be shared with the local community with a request for them to review the list to see if there are any other key stakeholders that should be consulted.

It was also announced by the Chair that a photography competition will be held to help produce pictures for inclusion in the ONP. Further details are available in the newsletter.

Open Forum

During questions from the open forum there was discussion around the detailed timeline to produce the plan and the impact that any delay may have, given the speculative planning permissions that continue to be submitted to the District Council. The Chair urged individuals to submit their objections on-line to proposed projects to ensure that they are considered by the planning committee.

There was also discussion about the Community Survey and its distribution, as well as specific queries about green spaces, conservation areas, and the impact on views of local landmarks and the surrounding countryside because of continued piecemeal planning decisions.

The next meeting of the ONP will be on Thursday 16th October at 7pm in Offenham Church. All Welcome
